Draft Agenda

ITEM 1	Introductions
ITEM 2	Approve July 23, 2015 FSOC Action Notes
ITEM 3	2015 FSOC Fish Screening Workshop – Review and Wrap-up Paddy Murphy and Neil Ward will provide a review and wrap-up of the 2015 Fish Screening Workshop that was convened in Salmon, ID.
ITEM 4	Fish Screen Inventory – NPCC Update Mark Fritsch (NPCC) and Bryan Mercier (BPA) will discuss the next phase of the fish screen inventory effort. Included in the discussion will be the efforts to resolve the discrepancies that exist between the inventory and Pisces data, as well the inclusion of additional screens not identified during the initial inventory. Included in this discussion will be a description of the required deliverables and associated timelines.
ITEM 5	2016 FSOC Training Session Neil Ward and Paddy Murphy will lead the participants in a discussion regarding potential locations, dates, and themes for the 2016 Training Session.
ITEM 6	Next Meeting Thursday, January 28, 2016 8:30 a.m. – 11:30 a.m. (Pacific)
