Draft Agenda

ITEM 1	Introductions
ITEM 2	2016 FSOC Fish Screen Training Session For the 2016 Training Session, NOAA will once again organize the event. Jeff Brown, who is serving as NOAA's lead for the training session, will present a draft agenda for the training session that will be convened in September at a TBD site. Participants will be asked to provide comments, as well as additional topics and presenters. In addition, a host agency/tribe and location needs to be confirmed.
ITEM 3	Fish Screen Inventory – NPCC Update Neil Ward will provide an update regarding progress towards resolving the latitude and longitude discrepancies that exist between the FSOC inventory and Pisces data, as well as the inclusion of information for the additional screens that were identified by BPA that were not included in the initial inventory. Included in this discussion will be a description of the required deliverables and associated timelines.
ITEM 4	2015 FSOC Fish Screening Workshop – Financial Wrap-up Neil Ward will provide an accounting update for the 2015 Fish Screening Workshop that was convened in Salmon, ID.
ITEM 5	Approve October 22, 2015 FSOC Action Notes
